Dear Parent/Guardian,

Mathematics Self-Directed E-Learning Programme (P1 - P6): Koobits.com

The school has adopted Koobits.com as our math learning resource portal for all pupils.

Koobits is a self-directed on-line learning programme on Mathematics. Every word problem question comes with an auto-marking feature and a detailed work solution to help pupils develop problem solving and critical thinking skills at their own pace.

Parents can learn and provide coaching alongside with their child/ward as there are online videos explaining how the word problems are solved. There are interactive elements to make the learning process fun and engaging. You can also assign online homework for your child/ward. Your child/ward can embark on his/her self-directed learning journey and join his/her friends in the never-ending fun math challenges.

The User ID and password are as follows:

**Login ID: MPS followed by student's last 4 digits and alphabet of BC/Fin number
(eg 1435240H the ID will be MPS5240H)**
