Dear Parents/Guardians,

### Curriculum Forum Day with Parents' Workshops 2018

Meridian Primary School cordially invites you to our Curriculum Forum Day and Parents' Workshops 2018 on **3 Feb 2018 (Sat) from 8.30 am to 1.00 pm**. This year, the school would like to work closer with parents by adopting a new format which allows parents to attend both talks about the school's curriculum as well as the opportunity to attend various teacher-conducted workshops pertaining to the various subject areas on the same day instead of over two separate days.

2. The programme for the day has been included below for the various talks and parents' workshops available for your reference and booking. The format and number of workshops are designed to allow parents to attend as many as possible over the different subjects. As vacancies for the workshops are limited, we encourage you to register and book your desired slots early to avoid disappointment.

\* Venues for the different workshops will be indicated in the confirmation letter.

3. Some of the workshops have two slots at different timings to cater to more participants. **We will close the registrations for our Parents' Workshops at 5.00pm on 31 Jan 2018.** Confirmation letters of your bookings will be delivered through your child to you by Friday 2 Feb 2018. Please use the following link <http://tinyurl.com/2018CFD-Reg> or QR Code below for your **online** registration and bookings. Workshop synopses will be included in the online registration form. Once again, parents are reminded that spaces are limited and registration for the specific workshops will close after all spaces have been taken up.

4. Please note that the classroom interaction with FT and co-FT (for P1 to P4 parents) is not a one-to-one meeting with the teachers regarding your child's/ ward's progress. FTs and co-FTs will meet the parents as a whole group to communicate their expectations for your child/ward in terms of character and academic development, including homework and filing routines.

5. Please also be informed that our canteen vendors will not be operating on that day. Please bring your own refreshments if needed. As the talks and workshops are for parents only, we will like to discourage you from bringing your child/children to the event. Also, note that parking lots are limited in school, hence, parents are requested to park at the nearby HDB carparks. If you need any clarification, please email me at [low\\_boon\\_khim@moe.edu.sg](mailto:low_boon_khim@moe.edu.sg) or call 65832125 during office hours.

Thank you.

Yours sincerely,
