Once parents have communicated to their child regarding the dismissal arrangement, they have to inform their child's form teacher of their choice. Parents may accompany their child to the respective gates or waiting areas during dismissal time on the 1st 3 days of school. Explain to your child your expectations eg sit down and wait should parent be late, not to run around etc. It is unwise to change the dismissal arrangement, as this will confuse your child and cause undue stress.

Parents will not be able to drive into the school to pick up their child. Do note that no child will be allowed to leave the school's premise before dismissal bell. We have to communicate to all children the importance of personal safety.

Any family who wishes their child to leave the school premise before dismissal time have to first report to the general office to make the specific request (only family members). The name and class of the child as well as the reason for early dismissal have to be recorded so the child is accounted for before he/she leaves the school.
