RE: MERIDIAN ECO-BAZAAR 2017

Dear Parents/Guardians,

Over the years, Meridian Primary School has implemented a number of school-wide and community-based eco-environment projects to instill in our pupils a sense of care and ownership for the environment which we live in.

As part of our continuous efforts to educate our pupils on environmental conservation, our school will be organizing Meridian Eco-bazaar in 2017 in-line with Earth Day Commemoration 2017.

At Meridian Primary School, pupils are taught to protect the environment and are often encouraged to practise the 3'Rs' - Reduce, Reuse and Recycle. For this bazaar, recyclables will be collected, refurbished and sold at the most affordable price to our pupils, parents and teachers.

All money collected will go towards supporting our eco-environment niche in our school. Hence, we warmly welcome your contribution of recyclables.

Here is a suggested list of recyclables for donation:

- Soft toys/toys
- Gift items
- Souvenirs
- Stationeries
- Bags, wallets and pouches
- Story books/ Guide books/ Reference books

You may deposit your donated items at **the RED GATE** or at the **security guard post at the BLUE GATE** from **16th January 2017 to 26th January 2017**.

The Meridian Eco-Bazaar 2017 Sale will be held at the canteen during the 3 recesses on Friday, 17th February 2017 from 9.00am to 10.30am.

Do support this bazaar by providing your child with more pocket money to patronize our Meridian Eco-bazaar. However, do note that participation is voluntary. Residents living in the nearby blocks (Blocks 762 to 769) are also encouraged to donate their recyclables by depositing them at the collection points in school. Our school will be distributing flyers to the residents of these nearby blocks.

If you have any queries, you may contact Mr Tay Koon Guan (Year Head) or Mr Clarence Low (HOD Science) at 65832125.

Thank you.

Yours sincerely,

Mr Tay Koon Guan
 Year Head

Yours sincerely,

Mr Clarence Low
 Head of Department (Science)
