Through the Principal *hgr*

Dear Parents/Guardians,

**P4 Learning Journey to Science Centre Singapore
on 'Fascinating Lights'**

The school is organising a learning journey to Science Centre Singapore for the Primary 4 level.
Details of the above Learning Journey are as follows:

Date :	Classes	Venue	Program Duration
11 Apr Tuesday	4PA 4RT 4RB 4IN 4CA	Science Centre Singapore 15 Science Centre Road	1.5 hours

Pupils will participate in a lecture demonstration which explores the concept of light as a form of energy. Highlights include the ultraviolet light, lasers, stroboscopes and their various fascinating applications.

The objectives of this visit are for pupils to:

- i. Learn about light energy & its various properties through colourful demonstrations;
- ii. Learn about reflection & refraction &
- iii. Develop Science process skills, critical thinking and problem-solving skills.

- We strongly encourage you to allow your child/ward to attend this learning journey as it would benefit him/her greatly.
- The programme starts at 2.30 pm at Science Centre and ends at about 4.00 pm.
- **Your child/ward will leave for Science Centre after school and be dismissed from school at 5.00 pm.**
- Please ensure that your child brings along a small bag comprising the following items:
 - Water Bottle
 - Writing Materials
 - Personal Medication and
 - **Extra money to take their lunch at the school canteen.**
- Your child is not to bring along any expensive electronic equipment.
- The school will make arrangement for your child to leave his/her school bag in the school.
- Do arrange for transport to bring your child home at 5.00pm.
- Please feel free to contact the school at 65832125 should you have any queries about it.
- Please click on the link <https://goo.gl/SqnVw4> to give your consent.

Yours faithfully,

Miss Debbie Lim

On behalf of Science Department
