P3 SWIM SAFER PROGRAMME (SSP) 2017

6 January 2017

Dear Parents/ Guardians,

The school will be organising a Swim Safer Programme (SSP) for the Primary 3 students to build up water confidence, learn water safety habits and basic swimming skills. Students with or without any formal learning are all encouraged to participate in this programme.

Essentially, students will be placed in various ability groups before going through 12 hours of instruction (8 lessons of 1 hour 30 minutes) by certified instructors. The PE teachers will be on-site to provide supervision and guidance. The students will be awarded with the different levels of SwimSafer certification endorsed by Sport Singapore after they have met the requirements of the swimming proficiency test.

For students who have already attained the SwimSafer certification, please make a copy of the certificates and hand it to the respective PE teachers. The school will make provision for alternative forms of certification based on individual proficiency.

Students are expected to bring their own swim wear, non-slip slippers/ sandals, a pair of goggles, a towel, a comb, a plastic bag for wet clothes, socks, school shoes and school uniform / PE T-shirt to change after the activity.

The programme is co-funded by the school and the MCYS-MOE. Students are expected to produce a Medical Certificate (MC) or letter of explanation to the teacher-in-charge should they be absent for any lesson.

Details of the SSP 2017
