**Subscription to Newspaper - What's Up**

Dear Parents/Guardians,

In our efforts to enhance language learning and promote knowledge of current affairs amongst our pupils, Meridian Primary School has decided to encourage and integrate newspaper reading in our English Language programme for our pupils.

The newspaper we have selected is "What's Up" – a newspaper written specifically for children. Your child will be presented with local and global news written in language that is simple and clear. We are using this newspaper also because its articles are safe for children to read. All P5 and P6 English teachers will be using the articles in "What's Up" during English lessons; activities would be conducted to enhance pupils' English Language skills.

**What is the cost?**

The school has managed to arrange for a special price of S\$15.00 for a total of 10 issues. What's Up will be issued to your child effective January of this year.

**How will What's Up be distributed?**

The newspaper will be delivered to the school and the English teacher will distribute it to your child each month.

**How do I make payment?**

Please complete the reply slip below and attach a sum of \$15.00 as payment, in a sealed envelope. Do return the reply slip and payment to your child's / ward's English teacher, by (Wednesday) **1 February 2017**.

We look forward to your support and please feel free to contact me should you require any clarification.

Thank you

Yours in partnership,
