Dear Parents & Guardians,

Parents' Workshop 2017 for Parents of Pupils from P3 to P6

Date: 13 March 2017 (Monday)

Duration : 8.30am to 12.45pm (4 sessions, 1h per subject)

Venue: Meridian Primary School IT Labs (Level 2)

Meridian Primary School strongly advocates home-school partnership. We hope to work collaboratively with parents in helping pupils learn at home. The above workshop is planned to support parents in coaching their children at home to compliment the pedagogy employed by teachers in school. It is planned as a half day workshop with working parents in mind so that they need not take more than a day's leave. Both parents and their children are encouraged to attend together to foster bonding and a better understanding during the hands-on sessions. Please indicate workshops that you will be attending. To facilitate resource planning and logistics arrangements, kindly reply by 12 noon on Wednesday, 8 March 2017.

No refreshment will be provided on that day. However, we encourage you to bring your own snacks for your break from 10.30am – 10.45am. Bottles of mineral water will be provided.
Thank you.
