Dear Parents/Guardians,

Beginner Conversational Chinese/Malay Language (CCM) Module for P3 Students

The school will be offering Conversational Chinese OR Malay Language for interested P3 students. MOE's aims of introducing Conversational Chinese/Malay in schools are to strengthen Singapore's multiracial compact and to enable Singaporeans to have some grounding in functional Chinese/Malay so that they could easily pick up the language should they need it for economic or other reasons in adult life.

As such, the school has introduced a 20 hours Beginner Conversational Chinese/Malay course which is non-examinable for your child/ward. We would like to strongly encourage your child/ward to sign up for the course. Your child's/ward's participation will be reflected in the Holistic Development Profile report.
