

Curriculum Forum Day 2023: Synopsis of English Language Parents' Workshops

I) P1 / P2 Parents' Workshop:

Title: Read to Reap!

The workshop provides parents with a broad overview of the English Curriculum at Meridian Primary. Join us as we share ideas on how we can capitalize on the power of daily experiences in the acquisition of language in a fun and purposeful manner. You can look forward to picking up at least 5 strategies to support your child in enhancing his / her English Language skills.

II) P3 / P4 Parents' Workshop:

Title: Fun and Purposeful Language Learning Through Reading LRD

The Little Red Dot (LRD) – a newspaper written specifically for Primary school children is a rich resource for current affairs. Join us in the workshop as we explore the various fun and meaningful family bonding activities which families can engage in as students read the LRD. These activities complement what is taught in school and help your child enjoy and apply skills in reading, speaking, listening and writing. The Middle Primary English Curriculum would be covered as we engage in several hands-on activities.

III) P5 / P6 Parents' Workshop:

Title: Unpacking a Comprehension Text

Reading comprehension is a process that involves decoding and thinking. Have you ever wondered how your child can better understand a given text? Participants in this workshop can look forward to a quick walk-through of the demands of the Upper Primary English curriculum and be introduced to some key comprehension strategies which students have been taught in school.
