

**Curriculum Forum Day 2023:
Synopsis of Mother Tongue Languages Parents' Workshops**

CL

Level	Title / Synopsis
P 1 & P2	<p><u>Title: Building Strong Foundation in Oracy Skills</u></p> <p>One of the main focus for Primary 1 and Primary 2 learning is to build up listening and oracy skills. In this workshop, teachers will share on how vocabulary and oracy skills are taught and how parents can help support their children at home to reinforce what they have learnt in school.</p>
P 3 & P4	<p><u>Title: Developing Strong Writing Skills</u></p> <p>At Primary 3 and Primary 4, there is greater emphasis on the development of writing skills in the curriculum. In this workshop, teachers will share on some effective writing strategies that students learn in school. Parents will be better equipped to reinforce these strategies at home as they support their children to become skillful in writing.</p>
P 5 & P6	<p><u>Title: Effective Strategies to Better Prepare Your Child for PSLE Oral</u></p> <p>Puzzled by how your children are graded for their oral skills? In this workshop, teachers will guide parents through the process of how their children's oral skills are assessed. Parents will be equipped with various strategies that they can tap on to reinforce their children's strengths while work on areas for further improvement in their children's oral skills.</p>
