**A reminder to all parents on the arrangement for First Day of School**

Dear Parents/Guardians,

Season's Greetings!

All Primary 1 (P1) students will start school from 4 Jan 2021 (Mon) at 8.30am to 12.30pm. On 4 Jan, only one parent/guardian will be allowed to accompany your child/ward into the school. Please enter through the Orange Gate (near Block 763) where our staff will be present to assist you. Parents arriving at the Main Gate will be advised to enter via the Orange Gate.

Please also remember to pack a dry snack for child/ward to have during Snack Break. Parents are advised to park at the nearby carpark as no parking will be available in the school. Please note that there will be a parents' briefing from 8.30am to 12.30pm for all parents.

We hope that parents will stay on as this will be a good opportunity to learn more about the support that the school has in place for your children.

Primary 2 (P2) to Primary 6 (P6) students will attend school from 5 Jan 2021 (Tues). However, Student Care Centres (SCCs) will be open for enrolled P2 to P6 students only in the afternoon of 4 Jan from 1.30pm onwards. The school has planned a 'Start Right Start Bright' Orientation Programme for all students on 5 to 7 Jan 2021.

Please remind your child to bring a small bag with the Student Handbook, stationery, water bottle and dry snack for Snack Break. The canteen will be opened as usual during recess. Students should be in PE attire with white socks and black shoes. Students must be in their classrooms by 7.30am. Students will be guided to their new classrooms when they arrive in school.

Thank you.

Meridian Primary School
