Dear Parents,

Invitation to Parents Gateway

Parents Gateway is a mobile app developed by MOE to support parents' involvement in their child's educational journey. The app enables you to receive information from the school and perform a range of administrative functions such as giving consent for school programmes and activities, and declaring travel plans.

The app is usually made available to parents before the start of the child's P1 year. However, to support you in preparing your child for the start of Primary School, we are making Parents Gateway available to you earlier. We would like to share resources on how you can support and prepare your child for this transition, as well as provide important administrative instructions and announcements on P1 Orientation via the app. As such, we encourage you to download Parents Gateway on your mobile phone (available on iOS and Android platforms only). Upon successful download, the app will guide you through a simple one-time onboarding process. You may refer to Annex A for the step-by-step guide.

For parents who are unable to access Parents Gateway, please be assured that we will continue to keep you updated via hardcopy letters or email.

Should you have any questions, please contact our ICT Manager, Ms Azzilawaty, at meridian_ps@moe.edu.sg. We look forward to partnering with you in your child's educational journey.

Yours sincerely,

Ms Liza Rahmat
Principal

- iOS 11.0 or later

4. After logging in, why do I see “No Access”?

The child needs to have a successful placement or is already studying in an MOE school for the parent to have access to the Parents Gateway app. Please approach the school for assistance.

5. Are the access rights limited to only one parent?

No. Parents, legal guardians and authorized caregivers can access their child's/ward's information from their respective Parents Gateway accounts.

6. If I have more than 1 child, do I require multiple accounts?

No. Parents will be able to access all their children's information through Parents Gateway, even if their children are studying in different schools.

7. Why am I required to use SingPass to login?

SingPass is the national digital identity for Singapore Citizens and Permanent Residents to access Singapore Government e-services easily and securely. Parents Gateway uses Singpass for MOE to identify parents, legal guardians and authorised caregivers of students in our schools.

8. Is it safe to stay logged in? Can hackers steal my SingPass credentials?

The Parents Gateway app uses SingPass to identify parents of students in MOE schools. SingPass is only used to identify and authenticate the parent. The SingPass ID and the password will not be stored in the app. There is no risk of SingPass credentials being stolen if a user stays logged in.

9. I do not see any Announcements/Forms after logging in. Why is this so?

The child's/children's school has yet to send any Announcements/Forms. Parents may wish to clarify with the school(s) concerned regarding this.

A push notification and/or email notification will provide the alert, if both have been enabled on the phone and in the Parents Gateway app settings.

Only one parent needs to respond. Please note: Once consent or acknowledgement has been granted, it cannot be edited by either parent. Should there be a change in decision, parents will have to inform the school directly.

12. Can I communicate with my child's teacher directly via the Parents Gateway app?

This feature is not available at this point in time. Parents may liaise with the school on the alternative preferred mode of communication with teachers

15. I have some questions regarding my child's school programmes. Can I submit my questions through Parents Gateway?

As the Parents Gateway team can only respond to questions pertaining to the Parents Gateway app, all school-related questions will have to be redirected to the school. Please approach the school directly as they will be in a better position to assist.
