Dear Parents / Guardians,

Primary 1 Step Out Step Up Learning Week 2023

As part of the Amazing Meridian Experience, we are pleased to share that we will be having our inaugural **Step Out Step Out Learning Week in Term 2 Week 10 for all students**. All P1 to P6 students will be spending 3 days to engage in experiential learning beyond the classrooms and away from usual academic routines.

Over these 3 days, Meridians will get to step out of their classrooms for Field-based Learning, get inspired by external perspectives from Mystery Lessons, deepen their learning across subjects, while honing their leadership skills and put values into actions via the Meridian Leadership Design Challenge. In providing this holistic experience, we aim for the students to step up in their confidence, gain leadership skills and contribute to self, school and community.
