Through Principal *hgv*

Dear Parents/Guardians,

Curriculum Forum Day 2023

1. Meridian Primary School cordially invites you to our Curriculum Forum Day on **11 February 2022 (Saturday) from 8.00 a.m. to 1.30 p.m.** In view of the easing of Safe Management Measures, we are pleased to share that the event will be held in person at Meridian Primary School. We hope to see you at the event!
2. The programme for the day includes School Leader's Segment, as well as Curriculum Sharing and Parents' Workshops by our HODs and Teachers. The event flow is listed in Annex A.
3. Registration is now open! Please use the following link <https://go.gov.sg/cfd2023reg> or QR Code below for your online registration. Registration closes on 3 February 2023, 5.00 p.m.

4. To simplify the registration process, your seat for the event is confirmed upon successful registration. We will provide details of the venues for the various break-out session on the event day.
5. We appreciate if parents can arrive on time so that we can start the programme punctually. As the talks and workshops are for parents only, we would like to discourage you from bringing your child/children to the event. Also, note that parking in the school is strictly for staff only. Parents are requested to park at the nearby HDB carparks. If you need any clarification on registration matters, please contact us at Tel: 6583 2125 (office hours), email me at wong_hoe_shyan@moe.edu.sg or Mr Lee Huan Leng (HOD ICT) at lee_huan_leng@moe.edu.sg.

Thank you.

Yours sincerely,

Frankie Wong
HOD Mathematics
