Dear Parents and Guardians,

**DigitalAccess@Home Scheme**

1. As part of Infocomm Media Development Authority's (IMDA) efforts to encourage the use of ICT for work and social activities, DigitalAccess@Home scheme is introduced to provide subsidised broadband and laptops/tablets for eligible families.
2. This scheme is open to low-income households living in HDB flats with at least one Singapore Citizen. You may check your eligibility at [www.go.gov.sg/digitalaccesschecker](http://www.go.gov.sg/digitalaccesschecker).
3. If you are eligible, I would like to encourage you to apply to join the scheme as the school moves towards greater use of technology for learning, e.g. using the Student Learning Space (SLS) for school assigned ICT-based lessons and for self-directed learning. For eligible families who are interested in applying, you may submit your application online or through hardcopy. The application forms are available in: <https://eservice.imda.gov.sg/das/homepage>.
4. Should you require clarifications or need more information on the scheme, you may contact the school's ICT Manager Ms Azzila at Tel: 6583 2125 Ext. 301 during office hours. Alternatively, you can also visit IMDA's website (<https://www.imda.gov.sg/how-we-can-help/digital-access-at-home>) where you can find more information.
5. We look forward to your continued support in your child's/ward's education.

Thank you.
