Dear Parents/Guardians,

Meridian's Got Talent Audition 2023

It is that time of the year again where students are encouraged to showcase their musical talents in **Meridian's Got Talent 2023**. Talents can range from playing a musical instrument (body percussion included), singing, dancing, beatboxing, and rapping. All students in Meridian Primary are welcomed to **submit their performance videos via email or SLS before 14 August (Mon) 2023**.

There are 2 categories to this competition:

1. Individual

If your child/ward is confident to perform on his/her own, he/she can take part in the solo performance.

2. Family/Friends

We encourage you to join and support your child/ward by performing together with him/her. He/she can perform together with a maximum of 4 family members, or a maximum of 4 friends from Meridian Primary School. The group name, your child/ward's full name and class are required during the submission.

As this competition is held as part of our school's Children's Day celebration, we strongly encourage your child/ward to prepare performances to the theme "**An Amazing Experience**". To elaborate on the theme, your child/ward should consider the following:

1. The skills and talents demonstrated by Meridian students which makes them amazing
2. How the performance demonstrates the value of care, responsibility, resilience and/or respect

Your child/ward will be informed if he/she is a finalist, by 18 September (Mon) 2023.

Please submit your child/ward's audition videos to via:

1. SLS titled "Meridian's Got Talent Audition 2023" or
2. Email: alwin_tien_der-wei@moe.edu.sg

Thank you.

Best regards,

Mr Alwin Tien
