**Project Boost- After School Programme for P5 Students**

Dear Parents/Guardians,

Your child, \_\_\_\_\_ of P5\_\_\_\_\_ has been selected to be part of Project Boost- an after-school programme to help students gain greater self-awareness, better emotional regulation and social skills through working with their peers.

The programme will be on Mondays in Term 2 and Term 3.

**Term 2 and Term 3**

We will be getting professional coaches recommended by Sport Cares to engage our students through Tchoukball. Students will learn to be disciplined and to work as a team towards a common goal through sports. At the end of the programme, the students will be given an opportunity to play a friendly match with their teachers.
