Dear Parents/Guardians,

Partnership with National Healthcare Group (NHG)

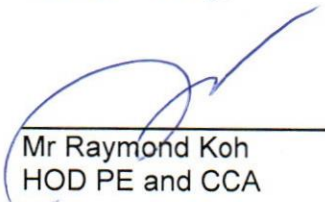

We hope your conversation with the staff from NHG on 25 May had been a fruitful one. As a follow up to the dialogue session, we would like to invite you to join a "Project Fun and Fitness" Class Dojo group. This will be a platform for us to share information and understand specific needs and interests to embark on a more active and healthier journey as a community. The project is in collaboration with NHG and it aims to empower parents to lead healthy lifestyle changes with their children.

Please see attached for the joining instruction. If you need any clarification or information, please email the following teachers and staff or call them at 65832125 during office hours.
