Dear Parents/Guardians,

Movie Nite 2018

Meridian Primary School is once again organising a **Movie Nite** for our pupils and their family. It will be an opportunity to watch a movie with your child and his or her friends and family in a different setting. We also hope to promote more family bonding time through this activity.

This year we will be holding our Movie Nite on **Friday 9 Nov 2018** in our Basketball Court which is just below the Indoor Sports Hall (ISH). We will be screening the movie, **Sing**. This movie is about a group of animals that enter a singing competition, hosted by a koala bear who is trying to save his theatre. Values such as resilience and friendship are very visible throughout the movie. As it is an outdoor venue, families are strongly encouraged to bring their own mats or canvas for their comfort.

In addition, this year we will be organising some **pre-movie activities** to promote family understanding, bonding and healthy living. So come down early! In partnership with Safe Space, we will be organising a **Families@Peace event** from **4.30pm-8pm**. This event includes fun and meaningful activity stations for parents and children to participate together to learn more about healthy relationships and positive parenting skills. Goodies bags will be given out as well. A "**Design your own Frisbee**" booth will also be set up for families to design their own Frisbees and bring it home. To promote healthy living, in collaboration with Singapore Heart Foundation, there will also be a **free blood pressure booth** for pupils to take blood pressure for their parents and fellow pupils.

To provide some dinner alternative, some of our canteen stalls will be opened for purchase of food and drinks. You are also encouraged to bring your own water bottles.

As we can only accommodate **200 pax** for the Movie Nite, we seek your kind understanding should you miss out this time. Please use this link to register for the Movie Nite: **<https://goo.gl/forms/cbxRTzWLU9NTpIzz2>**
